

Xitron Universal PCI Card Getting Started Guide

for Windows 2000 and XP

p/n 101-0007-011

October 2003

Getting Started

Thank you for your purchase of a Xitron Universal PCI card kit. You join thousands of other users who benefit daily from the use of reliable, quality Xitron products worldwide.

Complete directions for installation of your board may be found on the *Xitron Universal PCI Setup CD* part number 900-0600-900. This CD contains driver files that are required in order to utilize your new Xitron Universal PCI board. You must review and follow the directions outlined in this installation document in order to install and use your new Xitron Universal PCI card.

You may also access the installation document via the web at www.xitron.com then follow the links to Support / Users / Documentation / Universal PCI Card.
