Xitron Announces February Dealer Training Courses

Navigator RIP, Workflow and Advanced Capabilities Included

Ann Arbor, Michigan – January 18, 2010 – [Xitron](#), the prepress industry's leading independent developer and integrator of Raster Image Processors, RIP management and prepress workflow software today announced dealer training courses for the Navigator RIP and Navigator workflow products to be conducted in February.

The courses will cover fundamentals and advanced operations of Xitron's Navigator RIP and workflow, which are based on Harlequin core technology. Workflow training includes both Navigator GPS and Navigator Elite, Xitron's flagship workflow offering in the Navigator series. Scheduled courses are:

- [Navigator RIP Basics](#) – February 8-10
- [Navigator Workflow](#) and Advanced Capabilities – February 10-12

"Xitron prides itself in the quality of support provided not only directly by our technical support staff but also by our worldwide dealer network," stated Mark Eisenschenk, Xitron's President and Chief Executive Officer. "Ongoing education, training and certification programs for our dealers are an essential part of our customer care program."

Dealers wishing to attend these classes may do so by signing up online through the company's website at www.xitron.com/trainingdealers.htm or by contacting their Xitron Sales Manager.

Xitron offers RIP and Workflow solutions through its network of OEMs, distributors, dealers, and system integrators worldwide.

###

About Xitron

Xitron develops advanced workflow systems and interfaces to drive the prepress industry's most popular new and legacy output devices, prolonging our customers' investments. Xitron's Navigator RIP, Raster Blaster TIFF Catcher, and Xenith Workflow solutions are recognized as pre-press standards. Built around core technology from Global Graphics and Adobe Systems, Xitron engineers continue to develop solutions for the graphic arts market, driving over 250 different models of imagesetters, proofers, platesetters, and digital presses. With shipments of more than 20,000 RIPs, Xitron is the largest independent provider in the market. For more information about Xitron, visit us at www.xitron.com.
